All data has been collated from the Council of the EU, the European Commission and the European External Action Service, 2018-2019.

The timescales vary for the budget values of EU financial instruments over the 2014-2020 period. See the statistical annex in the Yearbook of European Security 2019 to consult the precise EU financial instrument values and timescales. Specific maps of individual regions and countries can also be found in the Yearbook.

Please note that pan-regional projects are not recorded.
